2. 2: Phase I Awards (available only as part of a Fast-Track application):

Release Date: 08-12-2008Open Date: 11-05-2008Due Date: 09-08-2011Close Date: 09-08-2011

The scope of the Phase I portion of a Fast-Track in the program includes all activities in the pre-clinical therapy development pipeline, and the Phase I can be structured in any way necessary to support subsequent pre-clinical development tasks during the Phase II project. However, the Phase II awards in the program support milestone-driven projects that begin with identified candidate therapeuti ...

3. 3: Phase II Awards

Release Date: 08-12-2008Open Date: 11-05-2008Due Date: 09-08-2011Close Date: 09-08-2011

The scope of a Phase II award in the program is the same whether it is based on a previously successful Phase I in the regular SBIR program or if it is part of a Fast-Track application. For entry to the program, projects must have one or more identified therapeutic leads and convincing proof-of-principle on efficacy demonstrated in credible models of the disease or against defined disease targets ...

4. 4: Implementation

Release Date: 08-12-2008Open Date: 11-05-2008Due Date: 09-08-2011Close Date: 09-08-2011

The NINDS Cooperative Program in Translational Research Small Business Awards provides funding through the U44 cooperative agreements mechanism. As a cooperative agreement, implementation will involve participation of NINDS program staff in the planning and execution of these therapy-directed projects. The U44 cooperative agreements support translational research projects that are focused on a sin ...

5. Tools to Mitigate and Understand the Mental Health Effects of National

[Disasters](#)

Release Date: 03-03-2009Open Date: 03-05-2009Due Date: 01-08-2012Close Date: 01-08-2012

Background The physical impact of Hurricane Katrina occurred over hours and days. The mental health effects of this large-scale, traumatic event may be fully evident only over weeks, months, years, and, perhaps, generations. The types of trauma from such events are many, diverse, and complex. The affected populations, including both direct victims and those secondarily involved (e.g., first resp ...
